2,014 Promotion Update

Only four months left (October 1, 2011) for you to enter into this special promotion draw*. As soon as 2,014 tickets are sold, we will do a live draw for 20 free tickets**. Encourage your clubs to register now.

Don't miss your chance to win. [Purchase your tickets now!](#)

**This offer supersedes the previous promotions. In the event that the number of tickets sold does not reach 2,014 by October 1, 2011, this promotion will be canceled, and no drawing will take place.*

***Winners of the drawing will receive 20 free camporee tickets that they may use for their club or sell to other clubs. Tickets cannot be split up among different clubs. All tickets must be used by a single club, or sold/given to another club.*

Union Coordinators & Events

Each union in the North American Division has the opportunity to raise or lower the flag, parade through the 2014 International Camporee, and use the main stage for a thirty-minute day-time

Paper Quilling Honor

Quilling or paper filigree is an art form that involves the use of strips of paper that are rolled, shaped and glued together to create decorative designs.

At the 2009 Courage To Stand International Pathfinder Camporee, this new honor was introduced by Judy Amos, from the Georgia-Cumberland Conference.

If your Pathfinder Club is interested in earning this honor, learn more at [Pathfinder Pathways](#).
