

## Special Needs Services offered at BTP International Pathfinder Camporee

The BTP International Pathfinder Camporee is dedicated to providing access and services to visitors with special needs. Access is available to all Pathfinder venues, such as buildings, activities, evening programs, and more. There are some areas of the grounds that are grass and gravel covered, which may be more difficult for items such as scooters and wheelchairs to travel.

The following services are available at the Camporee:

1. **Sign language** is provided at the evening programs upon request. Contact the Main Stage Program Director.
2. **Persons in wheel chairs** should sit with their clubs at the Main Stage for the evening programs.
3. **Automobile special needs parking** spots are located at many of the paved parking lots in the Camporee grounds. Look for the Handicap parking signs. Please display your Handicapped placard so you don't get towed.
4. **Restroom facilities and Port-o-lets** are located throughout the Camporee grounds, at the Union gate areas.
5. **Shower stalls** are located at the shower tents.
6. **On-site Bus shuttle** will run every day of the Camporee from 8:30am – 5:30pm, every 30 minutes, look for the Shuttle Pick up/Drop off locations on the Camporee map. These buses take you only around the Camporee grounds and not offsite. There will be a phone number for you to call to have a bus pick you up.
7. **Off-site Bus service** to all the BTP Offsite Activities locations. Check the bus schedule for times and dates. **Not every bus is Special Needs equipped.**
8. **One-seat personal electric convenience vehicles**, (scooters, Hoverounds, etc.) specifically designed for those with special needs, are allowed on the Camporee grounds. During the Camporee, motorcycles, mopeds, bicycles, personal transportation machines such as Segways and all-terrain vehicles are not allowed.
9. **Golf cart rental** is arranged only by your local Conference/Union Youth Director. If you have a need for a cart shuttle service at the Camporee, please contact your local Youth Director.

View the Camporee map for bus stop locations.
