

# POSTCARD EXTRAVAGANZA

## Five Events

1. Guinness World Record attempt
2. Postcard scavenger hunt
3. Club postcard exchange
4. Custom postcards: printing with a special cancellation stamp
5. Earn the Postcard honor

## 1 - Guinness World Record

We need your help to break the Guinness World Record for the largest postcard collection. Here is how you can participate.

Bring a postcard or two or hundreds to the International Camporee in Gillette. Each postcard received must be or have been a commercially available postcard at one time. It can be new or old, mailed or not mailed. It just has to be unique to the collection. (see incentives)

## 2- Postcard Scavenger Hunt

Come by the Postcard booth and collect your scavenger hunt map/instructions. You can collect postcards for free or by answering questions at locations all over the campus.

## Postcard Incentives

For every unique postcard turned in you will receive a special **commemorative postcard**. This card will only be available as an exchange.

For every 10 unique to the collection postcards, you will receive a **commemorative button**. You can wear on your uniform sash.

For every 50 unique postcards, you will receive 5 special **tradable stickers**.

AND

For 100 unique to the collection postcards, you will receive a **special trading pin**. only available as an exchange.

## 3-Club Trading Postcards

You or your club may wish to participate in trading postcards. We are encouraging clubs to design and print postcards to represent their club (make sure to print a postcard back to your cards). At Gillette, Pathfinders can trade these cards with other Pathfinders. Please include the state in your design. Individuals can also create trading postcards.

## 4 -Postcard Printing and Commemorative US Postal Cancellation

Bring your cell phone picture to the postcard booth and for \$1 you can have it printed and made into a postcard. If you mail it at the Gillette post office (or satellite post office on the main campus) your postcard will get the special cancellation stamp created just for us.

## 5 - Postcard Honor

You will be able to earn your Postcard honor at the International Camporee. The most difficult requirement is to collect 50 postcards representing at least ten states and two countries. So bring postcards to exchange. (see the club postcard trading event)
